

BHEKI CHRISTOPHER THOBELA

Music Producer | Recording Engineer | A&R & Artist Development | Music Business Professional

Barbeque Downs, Midrand, Johannesburg | 076 570 0811 | kreazoe@gmail.com

PROFESSIONAL PROFILE

Music producer, recording engineer, composer and artist-development professional with five years of hands-on label experience at Ambitiouz Entertainment (2017-2022), supporting established and developing artists from creative development through recording and mix preparation. Experienced in production, vocal recording, session engineering, mixing, stem preparation, song evaluation, A&R-style decision-making and label discussions. Commercially released credits include work with Emtee, Sjava, Kid Tini, LaSauce, S'Villa and DJ Mkiri Way feat. Blaq Diamond. Completed Music Business and Entertainment Management at Soul Candi Institute of Music with Distinction. Combines creative instinct, technical studio ability and music-business knowledge.

CORE COMPETENCIES

Music Production & Composition • Recording Engineering • Artist Development • A&R / Song Evaluation • Vocal Production • Arrangement • Mixing & Stem Preparation • Studio Session Management • FL Studio • Logic Pro • DAW Adaptability • Studio Equipment & Signal Flow • Music Business • Rights & Royalties • Release & Label Collaboration • Creative Direction

PROFESSIONAL EXPERIENCE

AMBITIOUZ ENTERTAINMENT | 2017 - 2022

In-House Producer • Recording Engineer • Composer • Artist Development

- Produced and composed commercially released records while working directly with label artists in studio.
- Recorded artists and engineered vocal sessions, including session setup, tracking, editing and delivery of clean production sessions.
- Mixed records and prepared organised stems for final mastering.
- Supported artist development by helping shape songs, performances, arrangements, vocal delivery and overall creative direction.
- Contributed to A&R-style song evaluation and decisions on which records showed release or commercial potential.
- Participated in label, artist, release and music-business discussions and collaborated with artists and creative teams.
- Production, recording and artist-development work included Emtee's DIY 2 era; Kid Tini's The Second Coming; LaSauce's Sindisiwe; Sjava's 'Isibhamu'; S'Villa; Saudi; DJ Mkiri Way feat. Blaq Diamond; and recording work on CiCi's Busisiwe project.

KREAZOE INTERNATIONAL / INDEPENDENT CREATIVE WORK

Music Producer • Composer • Creative / Graphic Designer

- Produced independent records and worked with artists on music creation and creative development before joining Ambitiouz Entertainment.
- Created artist graphics and music artwork, including design work for Harrison Crump's Legendary album project.
- Continued independent production after Ambitiouz Entertainment, including production work on Inkabi Zezwe's 'Iskhwele'.
